Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Teachers used Explicit Instruction as the main teaching pedagogy in Literacy and Numeracy for years 5 and 7.
- Established learning goals for students in Years 3, 5, and 7 using systemic and school-based data and monitored each 5 weeks.
- Established learning goals for students in Year 3, 5 and 7 who are not capable of achieving the National Minimum Standard and have an Individual Learning Guarantee.
- Implemented a teaching program in reading, writing and numeracy to target individual student learning goals.
- Additional teacher to focus on individual and small group tutoring in reading, writing and numeracy
